
Automotive fuse holder box,500A

1. Product Name:Fusebox car/ Plug Fuse Holder
2. model:ANS-200
3. Voltage breakdown:AC1500 1minute
4. insulation resistance:DC 500V 100MΩ M
5. Rating:32V-150V DC 15A-200A
6. Temperature tolerance:-30° C -150° C
7. Standard:IEC-60335-1 GB_9364.6-2001
8. Certification:ISO9001, ROHS,
9. Mounting Ways:Rails, bolts
10. Material:Hot silicone rubber, stainless steel bolts.
11. Fuse size:Small plug fuse
12. Application:Applicable to all cars, electric cars, audio and other equipment
