
blade fuse holder pcb mount,10A,250VAC,5 x 20mm

1. Product Name:Fuse Holder
2. model:H3-78
3. Voltage breakdown:AC2500 1minute
4. insulation resistance:DC 500V 100M Ω Min
5. Rating:10A 250VAC
6. Temperature tolerance:-20° C -150° C
7. Standard:IEC-60335-1 GB_9364.6-2001
8. Certification:ISO9001, ROHS,
9. Mounting Ways:Track installation
10. Material:Hot Silicone PBT, Brass
11. Fuse size:5*20mm Fuse
12. Application:Applicable to all electronic appliances, power supplies and other equipment

规格书Regulation book
