
automotive fuse holder panel mount,30 amp,300A

Product Name: Waterproof fuse holder/Medium car fuse holder

model:H3-81

Voltage breakdown:AC1500 1minute

insulation resistance:DC 500V 100M? M

Rating:30A 32VDC

Temperature tolerance:-30° C -150° C

Standard:IEC-60335-1 GB_9364.6-2001

Certification:ISO9001, ROHS,

Mounting Ways:Lead type

Material:Hot silicone, brass.

Fuse size:Large insert fuse

Application:Applicable to all cars, electric cars, audio and other equipment

规格书Regulation book
